General Statements:

• This boarding pass will not be valid in case of any changes on the reservation.

• Please make sure you have all required travel documents with you and proceed to gate with a pictured id.

• Check-in counter services will be closed 45 minutes on domestic and 60 minutes on international flights prior scheduled time of departure.

• Please recheck your gate number and boarding time from the monitors at the airport.

• Turkish Airlines has the right to change the seat number(s) you have preferred at check-in due to operational requirements which may occur.

• Passangers who bought their tickets via internet, mobile application or call center with credit card; must present their credit cards at the boarding gate if requested.

Baggage Security:

• Restrictions to liquids, gels and aerosols are applied in cabin baggage. Please visit www.turkishairlines.com for further information.

Your Next Steps:

BAG DROP — You may drop your baggage at the check-in counter during counter check-in times. If you have no baggage or only cabin baggage, you can proceed directly to the security control.

SECURITY CONTROL — You should pass through the security control before going to boarding gate.

BOARDING — Boarding ends 15 minutes before departure.

FLY — Have a nice flight.
